4) 2. The addition of 12 Duffedars and 82 Constables referred to in Statement (A) attached to the Inspector General's letter No.445/33 dated 16th July 1918 has been verified and found to be correct. In the original proposition statement certified to by this office, 500 was the number of Duffedars, including the 4 Drill and Gymnastic Instructors sanctioned for the Police Training School, and the corrections suggested by the Inspector General are therefore in order.

5) 3. As regards Sub.Inspectors, Jamedars and Head Constables, the number originally verified as per Proposition Statement was 229. This number has, however, since been reduced to 228 as follow Owing to the amalgamation of the several Sections of the Kolar District Board Railway, sanctioned in Government Order No.J.1449-53/Pol.181-16-4 dated the 26th October 1917, one Inspector on Rs.70/- and one Sub-Inspector on Rs.30/- were sanctioned against one Head Constable on Rs.25/- and two on Rs.20/-, thus reducing the numerical strength of the Sub.Inspectors by 2 (i.e.,) to 227. The subsequent addition of 1 Sub-Inspector for the Mysore-Arsikere Railway sanctioned in Government Order J.2290-92/Pol.205-16-4 dated

The proposals contained in d. no. 15 regarding the no of candidates, Inspectors & Sub Inspectors may be accepted.

2) Orders are required on the several points raised in the D.G.'s letter of 1.6.18 and the minimum qualification required for recruitment of Inspectors referred to in d. no. 17.

P.T. 2.9.18.

wl. 1) The DG of Police had proposed 3 rates of [more] allowance to Sub Inspectors, namely Rs 30, 25, 20, but only two rates (Rs 25, 20) were sanctioned by Govt. The DG. now states that he has issued instructions that Inspectors at Stations for which he had recommended Rs 30 & 25 may draw allowances at Rs 25/- a month, the remaining Inspectors drawing Rs 20/- a month. The rates prescribed higher rates are allowed on either marked work. The DGs action in this respect may probably be approved.

2) Mr K.R.S. Iyengar proposed the abolition of the office allowance of Rs 30/- p.m.

Given to the Inspectors of Madagere, Koppa & Manjarabad Taluqs, and to ~~five~~ six Jamadars a horse allowance of Rs 30/- to their offices. But as the Govt did not sanction Rs 30/- proposed by the DG, the Inspectors of the Taluqs will get a horse allowance of Rs 25/- Namely the Special allowance ~~granted~~ of Rs 50/- in the G.O. sanctioning the DG's proposals, there can be no doubt that the intention of the Govt was to abolish this. In fact this allowance is not taken into account in arriving at the final figure. Both proposals in these cases may be sanctioned & have been approved. This merges a point for orders whether the allowance should be allowed to continue or should be abolished.

Considering the increased cost of living & also their importance as Police officers, we may allow them to retain it. But this will be deemed to be an allowance only
15/11/18

3) The next point for consideration is whether the two Inspectors attached to the chief office should be allowed to draw the cycle allowance or the horse allowance if they keep one. The DG recommends that the allowance is necessary to keep them in their active habits. The recommendation may be accepted, and the Inspectors may be permitted to draw the h.a when they maintain a horse or the cycle allowance permissible under the rules if they keep only a cycle.

wise hereafter to promote as Sub-Inspectors as in British India. But as all the Jamadars could not be replaced immediately by Sub-Inspectors, and as permission has been given by H.E. to add to the number of Sub-Inspectors at the rate of 20 a year according to vacancies among the Jamadars, the class of Jamadars will continue for some years more. The question is as to the horse allowance that should be paid to them. The present rate is Rs 8/-. The D.G. had recommended Rs 12 h.a for impossible less costly stations Rs 15 for Dr Headquarters more costly stations no specific orders were issued by Govt in this matter. The D.G. now submits orders. Having regard to the present conditions the rate cannot be considered high; even otherwise, the rate may be considered fair, or Rs 10 or 12 may be fixed.

The rates proposed in Rs 12 & Rs. 15 should be allowed well

5) The D.G has given a list of places for which higher rates of h.a are recommended. It is a point for orders whether all the Stations mentioned therein may be accepted as deserving the higher rate.

He knows best. Rates may should be given but - the whole question + approval of the recommendations left

6) At present Some of the Sub-Inspectors in the R.T Police get a horse allowance The D.G recommends h.a to all the Sub-Inspectors of the R.T Police.

I think to see the recommendations of the R.T. Police officers when buying horses as very small: they will have to keep the animals: & spend more money for grain &c, than the present allowance. Govt should not interfere well

	Reference is invited to page 109 of the Budget which shows the allowances drawn by the subordinate officers of the Railway Police. But none of the allowances is stated to be horse allowance. In some cases it is local, in some it is charge allowance. In others the allowance is for horse hire. If approved, the DIG will be requested to submit detailed proposals in the matter.
7	7) The DIG recommends that the Jamadars of the Inspectors attached to the Chief Office may be permitted to draw the same rate as similar officers in the city draw while temporary Police officers should begin to draw the allowance attached to the stations to which they are posted. These proposals seem reasonable and may, if approved, be accepted.
8	8) Mr. S. Ramanuja Iyengar had proposed that recruits for Inspectors' places should be graduates in the case of Europeans, in the case of Eurasians and should have passed at least the 7th, or the Intermediate examination. The Govt. approved the qualifications prescribed by the DIG in the order regarding the Reorganisation Scheme. The present DIG of Police considers that the prescribed qualifications are too high, and recommends the Entrance

Examination for the Brahmin & Sc. for the Police, as it otherwise be difficult to get the necessary recruits for the Dept. It seems that the qualifications proposed by the present D.G. are too low. So far as the qualifications for the Sub-Inspectors the lowest grade of investigating officers are concerned, the Police Commission stated that "in no case ought the standard to be lower than the University Matriculation or School Final." The same standard can not be held to be sufficient also for the higher class of officers namely that of Inspectors, especially as that would have raised the emoluments to an appreciable extent. If approved, they may be informed that the question will be considered after some experience to be gained in the working of the present scheme.

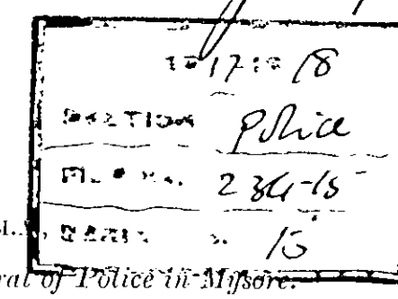
OFFICE OF THE
INSPECTOR-GENERAL OF POLICE IN MYSORE.

Dated Bangalore, 1st June 1918.

DIARY No. J2898.



Encls. 2

From

K. R. SRINIVASA IYENGAR, Esq., M.A., BAR.-AT-LAW,
Offg. Inspector-General of Police in Mysore.

To

C. S. Balasundaram Iyer Esquire, B.A.,
Chief *Secretary to the Government of His Highness the Maharaja of Mysore,* ~~*General Department.*~~

Sir,

Adverting to Government Proceedings No.J.4609-18/Pol. 234-15-10 dated the 10th May 1918, sanctioning the re-organization of the Police Department, I have the honor to submit, for the consideration and orders of Government, the following points regarding the horse allowance to be drawn by Inspectors and Sub Inspectors in accordance with para 2 of the Government Proceedings.

(1) In the proposals submitted by me with my letter No. 424-23 dated 21st July 1917, I had recommended three rates of horse allowances for Inspectors--Rs.30/- for 39 Inspectors as per enclosure B to the letter, Rs.25/- for 21 Inspectors as per enclosure C, and Rs.20/- for the others. But as the Government have sanctioned only two rates--Rs.25/- and 20/-, instructions have been issued to the Districts to draw the higher rate (Rs.25 for all the Inspectors shown in enclosures B and C (numbering 59 in all, as one of the Mysore City Inspectors has been replaced by an Assistant Superintendent of Police) and Rs.20/- to the others.

(2) With regard to the Inspectors of Koppa, Mudigere and

Manjarabad Taluks, I had proposed the abolition of the special allowance of Rs.50/- which they are now drawing, but as the Government have not passed specific orders on the point, I presume that these officers may be allowed to continue to draw the allowance. Considering the unhealthiness and the peculiar conditions of these Taluks and the fact that no substantial addition has been made to the horse allowances of the Inspectors at these places, I would now recommend that the special allowance attached to the three Taluks may be left undisturbed.

(3) I had also recommended that the 2 Inspectors attached to the Chief Office may be granted a cycle allowance of Rs.10/- each per mensem, but no orders have been passed by Government on the point. As it is necessary that these officers should keep up their active habits so that they may be interchangable with others in the Districts, I request that sanction may be accorded for their being given the same horse allowance as the others, or the cycle allowance admissible under the Rules, when they are allowed to maintain a cycle, instead of a horse.

(4) In my letter to Government, I had suggested that until all the Jamedars are replaced by Sub Inspectors, the Jamedars may be allowed to draw horse allowance at Rs.15 and Rs.12 and the Sub Inspectors at Rs.20 and 15. But the Government have sanctioned only the latter rates and I beg to be favoured with the orders of Government whether the Jamedars also may be allowed to draw the same rates as Sub Inspectors.--the higher or lower rates being drawn by them according to the stations to which they are posted.

(5) A statement (marked I) showing the places for which the higher and those for which the lower rates of horse allowances are proposed to be given to Sub Inspectors and Jamedars is herewith submitted for the approval of Government. It will be seen

therefrom that according to the statement 135 of the Sub-Inspectors and Jamedars will draw the higher rate/ and 93 the lower rate.

(6) At present, some of the Railway Sub Inspectors--those on the Bangalore-Nanjangud Railway, Kolar District Railway, Kolar Gold Fields Railway--draw horse allowance, while others --the Sub Inspector of Mysore-Arsikere Railway and Head constable of Birur-Shimoga Railway--do not draw it. As it is desirable that there should be uniformity in the matter and that these officers should keep up their active habits so that they may be easily interchanged with the District Officers, I would recommend that all of them may be given the horse allowance attached to the stations where they are posted.

(7) I also beg that for the same reasons, the Jamedars or Sub Inspectors attached to the Chief Office may be allowed to draw the same rate of horse allowance as other similar officers stationed at Head Quarters.

(8) The annexed statement II shows the total amount of horse allowance that will be drawn by the Inspectors and Sub Inspectors and Jamedars if these proposals are approved. It will be seen that in accordance with these proposals, the excess in the horse allowance of the Inspectors over the present figure will amount to Rs.8,100/- and that of Sub Inspectors and Jamedars to Rs.25,224/- as against Rs.8,250/- and Rs.23,784/- respectively, as calculated in the Appendix to the Government Proceedings under advertance.

(9) These figures does not include the horse allowances of temporary Inspectors and Sub Inspectors sanctioned from time to time for various purposes, but these officers will be per-

permitted to draw higher or lower rates of horse allowance according to the stations to which they are attached.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.

Offg. Inspector-General of Police in Mysore.

To

C. S. Balasundaram Iyer Esquire, B.A.,
Chief *Secretary to the Government of His Highness the Maharaja of Mysore, ~~General Department.~~*

Sir,

In continuation of this office letter No.8506/619 dated 31st May 1918 submitting proposals regarding the horse allowance to be drawn by Inspectors and Sub Inspectors in accordance with the re-organization scheme sanctioned in Government order No.J.4609-18/Police 234-15-10 dated 10th May 1918, I have the honor to state that Mr. K. R. Srinivasiengar while submitting a note containing modified proposals for the re-organization of the Police Department adopted the figures contained in the Proposition statement sent up to Government by his predecessor Diwan Bahadur Mr. C. Srikantesvara Aiyar with his letter No.1165/112 dated 1st September 1916. Since then 12 Duffedars and 82 constables have been added as per details in the statement (A) and 2 constables have been absorbed. While this number has been omitted from the Government order, there has been an excess of 4 Duffedars over and above the number shown in the proposition statement on account of the fact that the 4 Drill and Gymnastic Instructors of the Police Training School have been separately shown against the Establishment of the Police Training School in the Government order(vide

page 5) though they are included in the number of Duffedars.

2. Statement (B) herein enclosed shows the correct distribution of the force in the State from Duffedars to constable as it exists now, exclusive of the Provincial Special Reserve and the Temporary Police staff. Thus it will be seen that the number of Duffedars and constables will be 8 and 80 respectively more than the number mentioned in the Government order.

3. Under these circumstances, I request that Government may be pleased to alter the figures to 508 Duffedars and 5113 constables in the Government order sanctioning the reorganization scheme. Further the number of Sub Inspectors which has been shown as 229 in the Government order should be corrected to 228 which is the correct number as shown in the statement enclosed to my letter No.8506/619 dated 31st May 1918.

4. A copy of this letter together with its enclosures has also been forwarded to the Comptroller of Mysore, for information.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Inspector General of Police.

Sir,

I have the honour to state that in this office letter No.424/23 dated the 21st July 1917, submitting a Note on the reorganization of the Police Department, Mr. K. R. Srinivasiengar proposed the following qualifications for recruitment to the Inspectors' grade - "Recruits selected for Inspectors' places should be graduates. In the case of members of backward communities, if no graduates are available among them, under-graduates may be selected." In Order No.J.4609-18/Pol.234-15-10 dated the 10th May 1918, sanctioning the reorganization scheme, the Government have been pleased to accord their sanction in the following terms - "The principles laid down by Mr. Srinivasa Iyengar for recruitment to the several grades of officers and men ..... are approved". In the notification issued by Mr. Srinivasa Iyengar inviting applications for the post of Probationary Inspectors, the following qualifications have been prescribed - "The applicants should be graduates or must, in the case of members of backward communities, have passed at least the F. A. or Intermediate examination". The term 'Under-graduates' includes Matriculates and F. A's, but in the notification mentioned above, the higher of the two qualifications is prescribed. The choice is therefore very much restricted; and that accounts for a limited number of applications having been received from the members of the backward classes for the post of Probationary Inspectors.

2. The following table shows the number of applications received and the castes and qualifications of the applicants -

It will be seen from the above that only one Lingayat who has passed the Intermediate examination has applied, but I am afraid he has given up the idea of joining the Police Department, as he did not respond to the notice I issued to him and others to appear before me in order that I may satisfy myself about their physique, general intelligence etc. There is one Matriculate, but he is advanced in age. The rest of the applicants from the backward classes are mostly S.S.L.C. men. I entertained a doubt whether they can be regarded as Under-graduates and consulted the Registrar of the Mysore University. He is of the opinion that the term 'Under-graduates' does not apply to them. Practically, therefore, none, except the Brahmins and Mohamedans, can be appointed this year to the grade of Probationary Inspectors. But the number of applications from candidates belonging to these communities is not large. There are three Brahmins who are graduates, and one graduate and one Under-graduate (Intermediate and part of B.A.) who belong to the Mohamedan community. Of the three Brahmin graduates, only one has responded to my notice and he has been appointed a Probationary Inspector, as also the Mohamedan graduate. There are thus four vacancies in the grade of Probationary Inspectors to be filled up.

3. It seems to me that the qualifications prescribed are too high. I would prescribe the Entrance examination for the Brahmins and S.S.L.C. for the other communities. By prescribing minimum qualifications, it does not mean that candidates possessing higher qualifications will not be selected. If they are forthcoming, preference will be given to them over those possessing inferior

2'

qualifications. I would invite the attention of Government to para 20 of the Mysore Police Manual, Volume I, wherein the minimum qualification prescribed is Matriculation or S.S.L.C. examination. If my proposal is approved by the Government, the said para in the Order of the 10th May 1918, will have to be suitably modified. Pending the decision of the Government, I do not propose filling up the remaining appointments. Early orders are solicited as the Police Training School has already been opened.

I have the honour to be,
Sir,
Your most obedient servant,

Offg. Inspector General of Police.

Order No. G.O.4772-81 Education

Dated Bangalore, 4- - 1918.

The I.G.of Police had proposed three rates of horse allowance, ~~viz~~ namely, Rs.30, 25 and 20 to the Inspectors but only two rates ~~viz~~., 25 and 20 were sanctioned by Government. He has

28

has instructed that Inspectors of stations for which he had recommended Rs.30/25 may draw allowances at Rs.25 a month and the remaining Inspectors at Rs.20 a month and requests that his action may be confirmed. The places for which higher rates are allowed are either Malnad tracts or costly stations and Government are therefore pleased to approve of the Inspector General's action.

Considering the unhealthiness of Mudigere, Koppa and Manjarabad Taluks and also their importance as coffee areas, the allowance of Rs.50 drawn by the Inspectors of those places will be continued but they will be not allowed to draw any other allowance.

The Inspector General's recommendation that the two Inspectors attached to the Chief Office may be permitted to draw horse allowance when they maintain a horse or a cycle allowance permissible under the rules if they keep only a cycle is also approved.

The Inspector General's recommendation that the Jamadars and Inspectors attached to the Chief Office should draw the allowance at the same rates as similar officers in the City draw and that the temporary Police officers should be given the allowances attached to the stations to which they are posted, are reasonable, and Government are pleased to approve of the same.

Having regard to the present conditions

conditions, the Inspector General's recommendation on behalf of Jemadars that they should draw horse allowance Rs.12 for moffusil and less costly stations Rs.15 for head quarters and more costly stations cannot be considered too high, and Government are accordingly pleased to sanction these rates.

The Inspector General recommends to all the Railway Sub-Inspectors horse allowance attached to the stations to which they are posted.. At present some Railway Inspectors draw horse allowance, some local or ~~xha~~ charge allowance. In other cases the allowance is for house rent. Government fail to see sufficient reason for the Railway Police Officers maintaining a horse or pony. In order to obtain uniformity the Inspector General will consider the question of abolishing it altogether and submit suitable proposals to Government for orders.

The list of stations furnished by the Inspector General for which higher rates of horse allowance should be given, for Railway Sub-Inspectors & Jemadars is approved, and will be printed as appendix to this order.

The Inspector General brings to the notice of Government that the figures contained in the proposition statement ~~sent up~~ Sanctioned to Government with the proposals for the reorganisation of the Police was with reference to the establishment as it stood in September 1916, that since then 12 Daffedars and 82 constables have been added to the force and 2 constables have been absorbed.

There has also been an excess of four Daffedars over and above the number shown, in the proposition statement on account of the fact that 4 Drill and Gymnastic Instructors of the Police Training School have been separately shown against the establishment of the school.

A corrected list showing the distribution of the Force in the State from the Daffedars Constables is now annexed to this order.

In regard to the Inspector General's proposals about the minimum educational qualification for the recruitment of the Inspectors, Government are of opinion that the standard proposed by him is too low and that the question may be considered after some experience is gained in the working of the present scheme.

To

C. S. Balasundaram Iyer, Esquire, B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore.

Sir,

Adverting to Government Proceedings No.10472-81/Pol.234-15-21 dated 4th ~~February~~ December 1918, sanctioning the rates of horse allowance to be drawn by Inspectors, Sub Inspectors and Jamedars, I have the honor to state that in the list attached to the above Government Order a slight mistake has occurred in the list prepared in this office in which a Jamedar has been shown as drawing horse allowance in the Hosdroog Taluk and for whom a horse allowance of Rs. 15/- per mensem was sanctioned in the Government Order. The name of the station is incorrect. It should have been entered as Harihar with an enhanced rate of horse allowance of Rs. 20/- as there is no Jamedar at Hosadroog.

I therefore request that necessary corrections may be kindly caused to be made in the list attached to the Government Order referred to above.

Further, I request that the enhanced rate of horse allowance to Jamedars may be ordered to be given effect to from the 10th May 1918 as the re-organisation scheme came into effect from that date.

I have the honor to be,

Sir,

Your most obedient servant,

Mir Hamza Husein

Offg. Inspector General of Police.

From

The Offg. Inspector General of

Police in Mysore, Bangalore.

To

The Chief Secretary to the Govt.

of Mysore.
